

Over 38 Million Belkin Surge Protectors in use Worldwide!

# SURGEMASTER® SURGEPROTECTION

## SURGE, SPIKE AND LIGHTNING SURGE PROTECTION

Power surges and lightning strikes are not the only things that can damage your home electronic equipment. Simply switching appliances on and off can create electrical imbalances that cause cumulative, permanent damage to your computers, peripherals and electronic equipment.

Our decades of research and power protection development have led us to the release of this breakthrough SurgeMaster® series. Using advanced design elements and top-quality construction as well as superior circuitry, the SurgeMaster® offers the most complete protection from power surges, AC contamination and spikes available. As the leading developer of surge protection solutions, Belkin engineers and rigorously tests all its products to ensure your equipment will be safe from harmful electrical imbalances, whatever your configuration and whichever grade you choose.

The Belkin SurgeMaster® is your premiere solution for clean, safe power and the industry's best in construction, ratings and safety standards. Over 38 million Belkin SurgeMaster® units are protecting consumer electronics worldwide!

### BENEFITS:

- Earths AC power with 3-line protection through 1 socket
- Safeguards your household electronics, kitchen appliances and more
- Telephone/DSL Protection
- Connected Equipment Warranty: Belkin will repair or replace any equipment damaged by a surge, spike or lightning strike while properly connected to a Belkin SurgeMaster®, up to the maximum value stated on the front of the package
- Lifetime Product Warranty: Belkin will replace, free of charge, any SurgeMaster® that is defective or expires after protecting your electronic devices

### SPECIFICATIONS:

- Continuous Duty Electrical Rating: 250V/13A/50Hz/3,250W
- Maximum Energy Dissipation: 1,181 Joules  
L-N: 385J • L-E: 238J • N-E: 238J • Telephone Line: 320J
- Maximum Spike Current: 25,000 Amps  
L-N: 12,000A • L-E: 6,500A • N-E: 6,500A
- Maximum Spike Voltage: 6,000 Volts
- Response Time: <1 Nanosecond
- EMI/RFI Noise Filtration: 150kHz~100MHz up to 43 dB Reduction

**£ 35,000**  
CONNECTED EQUIPMENT WARRANTY  
LIFETIME PRODUCT WARRANTY

This product is certified to applicable British safety standards: BS1363/A; BS5733

Part Number	Description
F9H110vukCW	1-Way SurgeProtector, TEL protection

# PRODUCT FEATURES

**Surge Protection Indicator** shows that surge protection is working properly

**Earth Indicator** shows that your electrical wiring is properly earthed

**300V Oversized Metal Oxide Varistors (MOVs)** absorb excess electricity across live, neutral and earth lines, preventing harm to your equipment

**High-Frequency Capacitor** provides maximum reduction of AC line noise contamination over the widest frequency range

**1 Surge-Protected Socket** supply complete, 3-line AC protection

**Impact-Resistant ABS Case** prevents scratches, dents and rust

**Safety Shutdown Technology** uses thermal fuses to power off your system, which saves all connected devices in the event of a severe occurrence or when surge protection expires

**Phone/Fax/Modem Secondary Fuses and MOVs** protect from catastrophic surges and lightning strikes

**Phone/Fax/Modem Connectors** offer complete phone/fax/modem protection
