

REAN TINY xlr Adapter

RA3MT-B

Electrical

Contact resistance	$\leq 5 \text{ m}\Omega$ (inner)
--------------------	----------------------------------

Dielectric strength	0.5 kVdc rms
---------------------	--------------

Insulation resistance	$> 1 \text{ G}\Omega$
-----------------------	-----------------------

Mechanical

Lifetime	> 1000 mating cycles
----------	------------------------

RW / Straight	no
---------------	----

Material

Contact plating	Au
-----------------	----

Insert	PA 6 30 % GR
--------	--------------

Shell	Zinc diecast (ZnAl4Cu1)
-------	-------------------------

Shell plating	Black
---------------	-------

Labeling	no
----------	----

Environmental

Temperature range	-20 °C - +65 °C
-------------------	-----------------
